

TOPICS OF SUBSTANCE Wellness in the Workplace 2022

APRIL 27 BETHLEHEM CENTER, NANAIMO

Join us for an in-person day of connection and discussion. We'll discuss workplace challenges and solutions focusing on wellness, trauma, psychological stress, and substance misuse.

Join the conversation on how workplaces can enhance health, safety, and wellness.

"2 years into the pandemic, Canada's mental-health system is at a crisis point."
